Examiner Name	TBA	

My residence, post office address, and citizenship are as stated below next to my name.  I believe I am the original and first inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled:  Method and Kit for Growing Cross-Shaped Crystals  the specification of which (Title of the Invention)  is attached hereto  OR  was filed on (MM/DD/YYYY) 01/29/2002 as United States Application Number or PCT International  pplication Number 10/060,928 and was amended on (MM/DD/YYYY) (if applicable).  Intereby state that I have reviewed and understand the contents of the above identified specification, including the claims as amended	As a below named inver	ntor, I hereby declare that	::			
the specification of which (Title of the Invention)  is attached hereto OR  was filed on (MM/DD/YYYY)  price of the 2002  as United States Application Number or PCT International  problem state that I have reviewed and understand the contents of the above Identified specification, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT International or PCT International sections, material information which became available between the filing date of the prior application and the national or PCT International international lifting date of the continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT International lifting date of the continuation-in-part application.  hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant treader's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United states of America, listed below and have also identified below, by checking the box any foreign application(s) for patent, inventor's or plant receder's rights certificate(s), or 365(a) of any PCT international application having a filing date before that of the application on which priority is laimed.
